

Love, Family, Obedience

We believe in helping you create an breakable bond with your dog through a relationship of love and communication. We treat your family pet or your working service dog as our own and provide a superior level of personalized customer care.

Animal Rescue is Important to Us

Specialty Dog Training is proud to have rehabilitated thousands of rescue dogs to provide them a second chance to succeed in pet dog homes.

We work with many local rescues and shelters to provide discounted dog training services to their dogs prior to adoption and after placement with their new owner(s).

Follow Our Lead

Graham Bloem, leader of our pack, has been training dogs for over 17 years. He has rehabilitated thousands of dogs during his career and has a dedicated passion to helping dogs help people through service and therapy dog training. Among his strongest skills is leadership, which he uses to help our team diversify and grow to provide our clients endless possibilities in achieving their dog training goals.

With over 45 years of combined, professional dog training experience, our team of certified dog trainers is committed to customizing a program to fit the needs of you and your dog.

Over **45 years** of Experience

There is no problem too big or small for our certified dog trainers

Regardless of your dog's breed, age, personality or history, we can create a customized dog training program that will fit your dog and lifestyle.

Customized Dog Training

To Fit the Needs of You & Your Dog

Changing *Lives* Service & Therapy Dog Programs

SERVICE & THERAPY PROGRAMS

At Specialty Dog Training, we believe in harnessing your dog's intelligence, desire to work, their amazing love and devotion to their handler.

We train service dogs in the following areas: Psychiatric

service dogs, mobility assistance, seizure response, diabetic alert, peanut detection, and assistance dogs for children on the autism spectrum.

SHELTER TO SOLDIER

Our charity partner, Shelter to Soldier is a CA 501c3 nonprofit organization that adopts dogs from local shelters or rescue organizations and trains them to become psychiatric service dogs for post-9/11 combat veterans suffering from Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI) and other injuries associated with traumatic service experiences.

"Saving Lives,
Two at a Time."

Keeping You & Your *Family* Safe

Specialty Dog Training provides world class Personal Protection and Family Protection Dogs that are carefully selected for health and temperament, and we work with existing (client-owned) pet dogs who show potential as working dogs.

Our selected protection dogs are good-natured, social, balanced, and committed to their job.

Offering three levels of protection training:

LEVEL 1 Alarm

Alert bark on command

LEVEL 2 Protection

Alarm bark + ready to defend handler, home, and family

LEVEL 3 Advanced Protection

Alarm bark, full apprehension, house and perimeter sweeps, car and public protection

All three levels of protection training provide advanced on and off leash obedience.

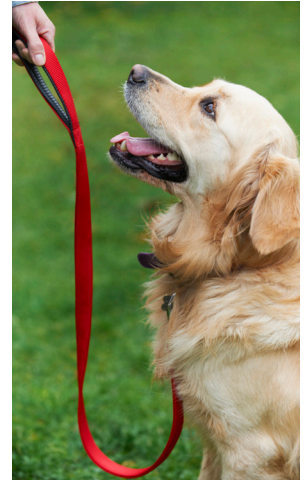

The *Process* and Services

TRAINING

During our first contact with potential clients that are in need of professional dog training assistance, we begin with a complimentary phone consultation with one of our highly trained enrollment advisors.

We need to get to know you, your dog(s), current behavioral concerns, and short and long-term goals. In some cases, a behavioral evaluation is required with a trainer at one of our facilities or at your home.

Specialty Dog Training will create a customized program tailored to your dog, your lifestyle and your goals.

SPECIALIZED PROGRAMS:

- **Private One-on-One Lessons**
(on site at our facilities or in-home)
- **Board and Train Camp**
What is bootcamp?: Specialty Dog Training specializes in creating an unbeatable learning environment in a safe, fun and interactive setting for your 4-legged family member(s) at one of our facilities through a consistent, overnight training program ranging from 2 to 8 weeks.
- **Post Bootcamp**

Each bootcamp comes with private follow-up lessons to ensure proper transfer and education to the owner(s).

- **Service & Therapy Dog Training**
- **Protection Dog Training**
